

Address presented to Sir William Ewart by the Select Vestry of St Mark's Dundela on the occasion of him being made Baronet in 1887

To
Sir William Ewart, Bart., M.P.

We Dear Sir,
 the Members of the Select Vestry of Saint Mark's, Dundela, desire to offer you our hearty congratulations on the well-deserved honour which Her Majesty has been pleased to confer on you by creating you a Baronet.

The recognition thus accorded to your high character and eminent public services, gives especial pleasure to us because we know better than can the outside public those private virtues which have won for you the respect and esteem of those among whom you have passed your life.

Your active services in promoting every good work in our Parish and the munificence with which you contributed to the erection of our Church and to other parochial objects, testify to the interest which you have always taken in everything that could promote the spiritual and temporal welfare of those among whom you dwell; we, therefore, rejoice in the distinction which has been conferred on you, and earnestly pray that you and Lady Ewart may long live to adorn the rank to which you have been raised and to enjoy for many years to come the warm regard of all who know you.
